a humorous look at pdf

Humour is often used to make light of difficult or stressful situations and to brighten up a social atmosphere in general. It is regarded by many as an enjoyable and positive experience, so it would be reasonable to assume that it humour might have some positive physiological effects on the body.

Humour - Wikipedia

This is a well thought out post. Professional looking email addresses and professional use of them is a great concept and idea. Its important, especially when putting it on a resume or other related places.
