Mathematical Proofs: A Transition to Advanced M...

book is titled "A Transition to Advanced Mathematics" but it doesn't make the transition easy. This edition is juts the 7th edition with some stuff shifted around so you can't use the previous version to do homework. It is extremely overpriced. \$60 for a book I have to return in 2 months and over \$200 new.

A Transition To Advanced Mathematics PDF - Book Library

A TRANSITION TO ADVANCED MATHEMATICS helps students make the transition from calculus to more proofs-oriented mathematical study. The most successful text of its kind, the 7th edition continues to provide a firm foundation in major concepts needed for continued study and guides students to think and express themselves mathematically--to analyze a situation, extract pertinent facts, and draw appropriate conclusions.
