Days of Future Passed is the second album and first concept album by English prog rock band The Moody Blues, released in November 1967 by Deram Records. With its fusion of orchestral and rock elements, it has been cited as one of the first examples of progressive rock.. The album was recorded at a time when the Moody Blues were suffering financial difficulties and lack of critical and ...

It was a black and frosty night, sometime in the dead of winter 2007. I was in the rocking chair holding my baby son, who was about one year old at the time. I was offering him a bottle and I knew he needed food, but he was upset and had been screaming for much of the night. My wife and I had been ...
