Until November 30th, 2005, the passing score for the PMP exam was 61%. This means one had to answer at least 106 questions out of 175 scorable questions correctly to pass the exam. Please note that the exam consists of 200 questions, of which 25 questions are pretest questions whose results are not added to the score. These questions are tested to validate the exam pattern for future tests.
