

**the mythical origin of pdf**

An origin myth is a myth that purports to describe the origin of some feature of the natural or social world. One type of origin myth is the cosmogonic myth, which describes the creation of the world. However, many cultures have stories set after the cosmogonic myth, which describe the origin of natural phenomena and human institutions within a preexisting universe.

The Hebrew Bible attributes the origin of language per se to humans, with Adam being asked to name the creatures that God had created.. One of the most well known examples in the West is the Tower of Babel passage from Genesis. It tells of God punishing humanity for arrogance and disobedience by means of the confusion of tongues.. And the LORD said, Behold, the people is one, and they have all ...
