

the political party system pdf

A political party is an organized group of people, often with common views, who come together to contest elections and hold power in the government. The party agrees on some proposed policies and programmes, with a view to promoting the collective good or furthering their supporters' interests.

Political party - Wikipedia

A two-party system is a party system where two major political parties dominate the government. One of the two parties typically holds a majority in the legislature and is usually referred to as the majority or governing party while the other is the minority or opposition party. Around the world, the term has different senses.

Two-party system - Wikipedia

The Second Party System is a name for the political party system in the United States during the 1800s. It is a phrase used by historians and political scientists used to describe the time period between 1828 and 1854. People quickly became more interested in voting starting in 1828. More people came to political rallies and showed up to vote on election day.
