

the popular music in pdf

Popular music is music with wide appeal that is typically distributed to large audiences through the music industry. These forms and styles can be enjoyed and performed by people with little or no musical training. It stands in contrast to both art music and traditional or "folk" music. Art music was historically disseminated through the performances of written music, although since the ...

Popular music - Wikipedia

The earliest songs that could be considered American popular music, as opposed to the popular music of a particular region or ethnicity, were sentimental parlor songs by Stephen Foster and his peers, and songs meant for use in minstrel shows, theatrical productions that featured singing, dancing and comic performances. Minstrel shows generally used African instruments and dance, and featured ...
