A trilogy is a set of three works of art that are connected, and that can be seen either as a single work or as three individual works. They are commonly found in literature, film, and video games, and are less common in other art forms. Three-part works that are considered components of a larger work also exist, such as the triptych or the three-movement sonata, but they are not commonly ...

The Legio Cybernetica were a part of 40K's first and second editions, before the escalation of grimdark in 3rd Edition made tech-heresy a thing (also, their rules required essentially mapping out their actual programming with logic gates, which was theoretically awesome but practically kind of a pain in the ass). Armies of these thinking war-robots have been fighting alongside the Marines and ...
