THE ROOM 17-year-old Brian Moore had only a short time to write something for a class. The subject was what Heaven was like. "I wowed 'em," he later told his father, Bruce. "It's a killer. It's the bomb. It's the best thing I ever wrote." It also was the last. Brian's parents had forgotten about the essay when a cousin found it while

The Room in the Tower 8 Mrs. Stone would get up and say to me, "Jack will show you your room: I have given you the room in the tower." This drawing-room where we played cards was next to the dining -room, and, as I have said, was always brilliantly illuminated, whereas the rest of the house was full of dusk and shadows.

Next to the living room, a private doctor's room, otherwise known as an operating theater. The relationship between the living room and the operating theater is all important in the design, as things happen simultaneously in the living room and operating theater. In the operating theater, a medical table covered with a sheet. A basin for washing hands.
