The Spanish National Health System (Spanish: Sistema Nacional de Salud, SNS) is the agglomeration of public health services that has existed in Spain since it was established through and structured by the Ley General de Sanidad (the "General Health Law") of 1986. Management of these services has been progressively transferred to the distinct autonomous communities of Spain, while some continue ...

Spanish National Health System - Wikipedia

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...
