Executive Summary. Most leadership development programs aren't working. Only 24% of senior executives at firms that have them consider them to be a success.

Turning High-Potentials into Successful Leaders

The majority of graduates joining the workforce in this present era will be the millennial generation, born between 1994 and 2000. Millennials matter to employers because they are not only different from those that have gone before, they are also more numerous than any since the soon-to-retire Baby Boomer generation.
