

the truth an uncomfortable pdf

In the psychology of human behavior, denialism is a person's choice to deny reality, as a way to avoid a psychologically uncomfortable truth. Denialism is an essentially irrational action that withholds the validation of a historical experience or event, when a person refuses to accept an empirically verifiable reality. In the sciences, denialism is the rejection of basic facts and concepts ...

1. Introduction. Poison oak (*Toxicodendron diversilobum*) and its eastern counterpart poison ivy (*T. radicans*) are two of the most notoriously painful plants in North America.[Note: These species were formerly placed in the genus *Rhus*.]Although hundreds of scholarly articles have been written, there are probably more myths about these plants than any other native species.
