

the vine of the pdf

Certain plants always grow as vines, while a few grow as vines only part of the time. For instance, poison ivy and bittersweet can grow as low shrubs when support is not available, but will become vines when support is available. A vine displays a growth form based on long stems. This has two purposes.

Vine (/ v aÉ n /) was a short-form video hosting service where users could share six-second-long looping video clips. The service was founded in June 2012, and American microblogging website Twitter acquired it in October 2012, before its official launch. Users' videos were published through Vine's social network and could be shared on other services such as Facebook and Twitter.
