Action Plan on Base Erosion and Profit Shifting - OECD

In project management a project consists of a temporary endeavor undertaken to create a unique product, service or result. Another definition is: a management environment that is created for the purpose of delivering one or more business products according to a specified business case. Projects can also be seen as temporary organization. Project objectives define target status at the end of ...

Sentences for federal drug crimes are based on the quantity of the drugs involved, not the individual's role in the crime. The emphasis on quantity rather than the role of the offender, along with the conspiracy laws, too often result in disproportionate sentencing, even for first-time offenses such as the Garrisons.
