Reality is the sum or aggregate of all that is real or existent, as opposed to that which is merely imaginary. The term is also used to refer to the ontological status of things, indicating their existence. In physical terms, reality is the totality of the universe, known and unknown. Philosophical questions about the nature of reality or existence or being are considered under the rubric of ...

Decolonization (American English) or decolonisation (British English) is the undoing of colonialism, the latter being the process whereby a nation establishes and maintains its domination over one or more other territories. The concept particularly applies to the dismantlement, during the second half of the 20th century, of the colonial empires established prior to World War I throughout the world.

Professor Mary Fulbrook and the present writer belong to the same club. They are not particularly fond of Das Leben der Anderen (The Lives of Others), Florian Henckel von Donnersmarckâ€™s much acclaimed film from 2006 about Stasi monitoring under Communist Party rule. â€œ It is a terrible film,â€• she says.
