A Winning Team in the First 90 Days The most important decisions you make in your first 90 days will probably be about the people on your team. If you succeed in creating a high-performance team, you can exert tremendous leverage in value creation. If not, you will face severe difficulties, for no leader can hope to achieve much alone.

### **THE FIRST 90 DAYS Building A Winning Team When You Come**

Your transition begins the moment you learn you're being considered for a new position, and it ends about 90 days after you begin the job. At the 90-day mark, key people in the organization – your bosses, peers and direct reports – expect you to be making an impact.
