and get a copy of her health information. With a copy of your medical record you can become more informed about your health. SEND YOUR HEALTH INFORMATION TO A THIRD PARTY You hold the key to your health information and can send or have it sent to anyone you want. Only send your health information to someone you trust.

DID YOU KNOW? - Health IT

that can have serious consequences for your health. Pressure Points Even short-lived, minor stress can have an impact. You might get a stomachache before you have to give a presentation, for example. More major acute stress, whether caused by a fight with your spouse or an event like an earthquake or terrorist attack, can have an even bigger impact.

How Stress Affects Your Health
