Love and Loss. In the aftermath of the dissolution of a relationship (e.g., break-up or divorce), the person who did not initiate the ending of the relationship may feel wronged by the other person. They might tell themselves, "My beloved should not have done this!" "He/she is a horrible person for doing this!"

And perhaps most destructive,...

Love And Loss Quotes. "Most of us can't help but live as though we've got two lives to live, one is the mockup, the other the finished version, and then there are all those versions in between. But there's only one, and before you know it, your heart is worn out, and, as for your body, there comes a point when no one looks at it,..."

Grief occurs in response to the loss of someone or something. The loss may involve a loved one, a job, or possibly a role (student entering the workplace or employee entering retirement). Anyone can experience grief and loss; however, individuals are unique in how they experience this event. Grief, itself, is a normal and natural response to loss.
